NOTICES - - - - -	52, 53, 78
MEMORANDUM - - - - -	53
CASE REPORTS:	
BRONCHIAL CARCINOMA IN A CASE OF PULMONARY TUBERCULOSIS UNDERGOING ARTIFICIAL PNEUMOTHORAX TREATMENT - - - - -	129
By DAVID FULTON AND CHRISTOPHER ROLLESTON	
A CASE OF SPONTANEOUS PERFORATION OF THE OESOPHAGUS - - - - -	133
By K. D. FOGGITT	
APPEAL - - - - -	137

INDEX

- Braithwaite, F.**, Transthoracic Transpleural Ligature of the First Part of the Left Subclavian Artery, 74
- Bronchial Carcinoma** in a Case of Pulmonary Tuberculosis undergoing Artificial Pneumothorax Treatment, 129
- Broncho-Pulmonary Abnormalities**, 111
- Case Reports**, 129, 133
- Clegg, J. W., and Foster-Carter, A. F.**, Detection of Tubercle Bacilli by the Fluorescence Technique, 98
- Cohen, Raymond C.**, Pulmonary Tuberculosis and Pregnancy, 10
- Detection of Tubercle Bacilli by the Fluorescence Technique**, 98
- Editorial**, 1
- Edwards, F. Ronald**, Surgical Technique in Thoracoplasty with Particular Reference to Sepsis, 4
- Experiences with Promanide in Tuberculosis**, 68
- "Extraperiosteal Pneumothorax" in the Tropics**, 60
- Foggitt, K. D.**, A Case of Spontaneous Perforation of the Oesophagus, 133
- Foster-Carter, A. F.**, Broncho-Pulmonary Abnormalities, 111
- Fulton, David, and Rolleston, Christopher**, Bronchial Carcinoma in a Case of Pulmonary Tuberculosis undergoing Artificial Pneumothorax Treatment, 129
- Gloyne, S. Roodhouse**, The Relationship between Primary and Adult Tuberculosis, 93
- Grenville-Mathers, R., Pickering, Dennison, and Hales, G. E.**, Experiences with Promanide in Tuberculosis, 68
- Hall, G. A. M.**, Tropical Eosinophilia or Pulmonary Acariasis, 124
- In Memoria**, 57, 106, 109
- Martin, Laurence**, Observations on Myotatic Irritability, 49
- Memorandum**, 53
- Notices**, 52, 53, 78
- Observations on Myotatic Irritability**, 49
- Paneth, O.**, "Extraperiosteal Pneumothorax" in the Tropics, 60
- Pulmonary Tuberculosis and Pregnancy**, 10
- Relationship between Primary and Adult Tuberculosis**, 85, 93
- Reports of Societies**, 51, 77, 105
- Reviews of Books**, 55, 80, 107, 134
- Spontaneous Perforation of the Oesophagus**, 133
- Thoracoplasty, Special Technique in, with Particular Reference to Sepsis**, 4
- Transthoracic Transpleural Ligature of the First Part of the Left Subclavian Artery**, 74
- Tropical Eosinophilia or Pulmonary Acariasis**, 124
- Ustvedt, Hans Jacob**, The Relationship between Primary and Adult Tuberculosis, 85
